

§ 1130.5

16 CFR Ch. II (1–1–16 Edition)

(1) If the manufacturer regularly uses only a model name or a model number, but not both, to identify the product, he/she may provide only the model name or number rather than creating a model name or number for the sole purpose of this part 1130.

(2) If the manufacturer regularly identifies the product by a product identification number (“PIN”) or other similar identifying number rather than a model number, he/she may provide that identifying number instead of a model number.

(3) The date referred to in paragraph (a) of this section shall include the month and year of manufacture and can be stated in code.

(4) A permanent mark is one that can reasonably be expected to remain on the product during the useful life of the product.

(b) The information required by this section shall be in English, legible, and in a location that is conspicuous to the consumer.

(c) The information required by this section may be combined with other information marked on the product.

§ 1130.5 Requirements for registration forms.

The registration form required under § 1130.3(a)(1) shall:

(a) Comply with the format and text requirements set forth in § 1130.6 as shown in figures 1 and 2 of this part;

(b) State all information required by this part 1130 in the English language;

(c) Be attached to the surface of each durable infant or toddler product so that, as a practical matter, the consumer must notice and handle the form after purchasing the product;

(d) Include the manufacturer’s name, model name and number for the product, and the date of manufacture;

(e) Include an option for consumers to register through the Internet;

(f) Include the statement required in § 1130.6(c)(1) that information provided by the consumer shall not be used for any purpose other than to facilitate a recall of or safety alert regarding that product.

§ 1130.6 Requirements for format and text of registration forms.

(a) *Size of form.* The form shall be at least the size of two standard post cards, connected with perforation for later separation, so that each of the two portions is at least 3½ inches high x 5 inches wide x 0.007 inches thick.

(b) *Layout of form—(1) General.* The form shall consist of four parts: top and bottom, divided by perforations for easy separation, and front and back.

(2) *Font size and typeface.* The registration form shall use bold black typeface. The size of the type shall be at least 0.12 in (3.0 mm) for the purpose statement required in paragraph (c)(1) of this section, and no less than 0.10 in (2.5 mm) for the other information in the registration form. The title of the purpose statement and the retention statement required in paragraph (d)(2) of this section shall be in all capitals. All other information shall be in capital and lowercase type.

(c) *Front of form—(1) Top front of form: Purpose statement.* The top portion of the front of each form shall state: “PRODUCT REGISTRATION FOR SAFETY ALERT OR RECALL ONLY. We will use the information provided on this card to contact you only if there is a safety alert or recall for this product. We will not sell, rent, or share your personal information. To register your product, please complete and mail the bottom part of this card, or visit our online registration at: *www.Web sitename.com*.” Manufacturers that do not have a Web site may provide an email address and state at the end of the purpose statement: “To register your product, please complete and mail the bottom part of this card, or email your contact information, the model name and number, and date of manufacture of the product, as provided on this card, to: *name@firmname.com*.”

(2) *Bottom front of form: Manufacturer’s mailing address.* The bottom portion of the front of each form shall be pre-addressed and postage-paid with the manufacturer’s name and mailing address where registration information is to be collected. A manufacturer may list a brand name in addition to the manufacturer’s name. If a manufacturer uses a third party to process registration forms, the third party’s name

may be included as a “c/o” (“in care of”) in the address on the form.

(d) *Back of the form*—(1) *Top back of form*—(i) *Product information and manufacturer’s identification*. The top portion of the back of each form shall state: “Manufacturer’s Contact Information” and provide the manufacturer’s name and contact information (a U.S. mailing address displayed in sentence format, Web site address, a telephone number, toll-free, if available); product model name and number (or other identifier as described in § 1130.4(a)(1) and (2)); and manufacture date of the product. A rectangular box shall be placed around the model name, model number, and manufacture date. A manufacturer may list the brand name in addition to the manufacturer’s name.

(ii) *Retention statement*. On the back of each form, just above the perforation line, the form shall state: “KEEP THIS TOP PART FOR YOUR RECORDS. FILL OUT AND RETURN BOTTOM PART.”

(2) *Bottom back of form*—(i) *Consumer information*. The bottom portion of the back of each form shall have blocks for the consumer to provide his/her name, address, telephone number, and email address. These blocks shall be 5 mm wide and 7 mm high, with as many blocks as possible to fill the width of the card allowing for normal printing practices.

(ii) *Product information*. The following product information shall be provided on the bottom portion of the back of each form below the blocks for consumer information printed directly on the form or on a pre-printed label that is applied to the form: the model name and number (or other identifier as described in § 1130.4(a)(1) and (2)), and the date of manufacture of the product. A rectangular box shall be placed around the model name, model number, and manufacture date. A manufacturer may include its name on the bottom portion of the back of the form if they choose to do so.

§ 1130.7 Requirements for Web site registration or alternative e-mail registration.

(a) *Link to registration page*. The manufacturer’s Web site, or other Web site

established for the purpose of registration under this part 1130, shall be designed with a link clearly identified on the main web page that goes directly to “Product Registration.”

(b) *Purpose statement*. The registration page shall have the following statement at the top of the page: “PRODUCT REGISTRATION FOR SAFETY ALERT OR RECALL ONLY. We will use the information provided on this page only to contact you if there is a safety alert or recall for this product. We will not sell, rent, or share your personal information. If you register on this Web site you do not need to fill out the card that came with your product.”

(c) *Content of registration page*. The Web site registration page shall request only the consumer’s name, address, telephone number, e-mail address, product model name and number, and the date of manufacture. The consumer’s telephone number and e-mail address shall not be required for the consumer to submit the registration form. No other information shall appear on the electronic registration form, except for identification of the manufacturer or a link to the manufacturer’s home page, a field to confirm submission, and a prompt to indicate any incomplete or invalid fields before submission. Accessing the electronic registration form shall not cause additional screens or electronic banners to appear.

(d) *Alternative for manufacturers without a Web site*. A manufacturer that lacks a Web site shall provide for consumers to register their product through e-mail. Such e-mail addresses shall be set up to provide an automatic reply to confirm receipt of the consumer’s registration information.
